

Integrating Strategies to Address Gender-based Violence and Engage Men and Boys to Advance Gender Equality through National Strategic Plans on HIV and AIDS

Country Action Plan – Template

- 1) Identification of priority country policy **strengths** (to be built on) and **priority gaps** (to fill) – informed by policy scan tool and the key concepts session
- 2) Identification of key **interventions** to address these gaps (evidence, examples of good practice, examples of NSP ‘content’, tools, etc) – informed by the strategy sessions and the Gender Roadmap

Key Strengths	Priority Gaps	Key intervention / entry point	When	Responsible centre	Budget
Available policy and legal frameworks	Inadequate budget for operationalizing the laws and policies	Advocate for gender transformative budgeting Finalise the National Action Plan on women, girls, gender equality and HIV Cost, print and disseminate the NAP Finalise the GBV NAP	Continuous 15 th Dec 2011 End 2011	MGLSD, MGLSD	40,000USD (covered)
	NSP is silent on how to engage men and boys to reduce GBV	Ensure strategies addressing GBV, involvement of boys and men and meaningful involvement of women living with HIV are incorporated in NSP (2012/13 – 2015/16) and the corresponding National Policies and Priority Action Plans (i.e. GBV Policy, GBV Action Plan and the NPAP).	21-25 Nov	UAC, MGLSD, UNDP	Staff time
Psychosocial support for comprehensive post rape care	Conceptualisation, measurability and packaging of structural interventions e.g gender issues etc	Analyse the costed NSP to identify the resource percentage allocated to strategies addressing GBV and other gender-related issues	15	UAC	

- 3) Identification of an **advocacy process** and steps to push for the integration of identified interventions, using strategic entry points, partnerships, targets, need for further evidence, etc – informed by Gender Roadmap / compendium of resources
- 4) Identification of **technical support** needs for carrying out process

Actions (What do you need to do to initiate advocacy on these areas? – eg more research? Advocacy tools, meetings, etc)	Advocacy Messages (What is the key change you want to see, and the rationale for this change?)	Partnerships (who else – nationally and regionally – is working on this area and could strengthen your position if you work together?)	Advocacy targets and Strategies (who do you want to reach, and how?)	Technical support (What tools, resources, organizations or people are available to support these efforts?)
Analysis, meetings, developing policy advocacy tools, resource mobilisation, documentation	Decision makers committing resources for gender and GBV interventions	Government, civil society incl. women living with HIV, Development Partners, media, cultural and religious leaders	Policy makers, activists and implementers, conferences, policy dialogues, stepping stones, community dialogues	Policy documents, civil society and government TA and funds
“	Appreciating the linkages between HIV and GBV in relevant programming
